**Preamble:**

M/s Texport Industries Private Limited has proposed for “establishment of apparel manufacturing unit” with an investment of Rs. 45.00 crore, generating employment to about 2000 persons at Textile Park, Khursapura Village, Shiggaon Taluk, Haveri District.

The Department of Handlooms and Textiles has proposed to establish Textile Park in 59.34 acres of land at Khursapura Village, Shiggaon Taluk, Haveri District. The land will be transferred to the SPV for the establishment of Textile

Park, once it is incorporated. The developed land will be allotted to the Textile units on long term lease basis i.e., 30 years + 30 years.

In the Government Order read at (1) above, the Government has constituted the Land Audit Committee under the chairmanship of Commissioner for Textile Development and Director of Handlooms and Textiles for recommendation of land requirement for Textile units in Textile Park, Khursapura Village, Shiggaon Taluk, Haveri District.

Accordingly, in the Land Audit Committee meeting held on 25.04.2022, the following decision / recommendation has been taken:

- a) To recommend for allotment of 14 acres of land for establishment of Apparel Production / Manufacturing unit to M/s Texport Industries Pvt. Ltd., in Shiggaon Textile Park at a concessional rate to attract investment and also to generate employment in this backward district.
- b) Since the project is the first unit being established in the Park as well as in the Taluk, the Committee unanimously opined that it is preferable that the Government considers allotment of the land at concessional rate and also grant anchor unit status to the proponent.

Allotment of land at concessional rate does not come under the purview of State Level Single Window Clearance Committee and it has to be examined at Department of Handlooms and Textiles level.
